TAKE A PHOTOGRAPHY MASTERCLASS

- Using filters (<https://www.tate.org.uk/kids/make/art-technology/photo-challenge-filters>)
- Using angles (<https://www.tate.org.uk/kids/make/art-technology/photo-challenge-angles>)
- Using frames (<https://www.tate.org.uk/kids/make/art-technology/photo-challenge-frames>)

ONLINE PHOTOGRAPHY THEMES

Take inspiration from photographs on these themes:

- The view from my window (<https://www.bbc.co.uk/news/in-pictures-52743922>)
- Straight lines (<https://www.bbc.co.uk/news/in-pictures-49904749>)
- Tiny (<https://www.bbc.co.uk/news/in-pictures-43909548>)
- My washing (<https://www.bbc.co.uk/news/in-pictures-39960775>)
- Working at home (<https://www.bbc.co.uk/news/in-pictures-52675825>)

52 THINGS YOU CAN PHOTOGRAPH AT HOME

Our homes are the perfect location for a photo shoot and even better, you can use the items in it as your subject. When you start to look around, you'll soon realise there are many items that can be used to create interesting still life shots or close up (macro) images. Here you will find a list of 52 items, see which ones you could try.
